AT LOVE FIELD, TEXAS

PAUL WILLIAMS WRITES FROM AVIATION CAMP IN LONE STAR STATE

The following interesting letter from Paul Williams has been received by his parents, Mr. and Mrs. C. N. Williams of 1228 Maple avenue, this city. It will be remembered that Paul was graduated from Union High School a year ago last February, and that after six months' advanced work in a Hollywood school he enlisted in the Aviation Corps, leaving here about two months ago, and going first to San Francisco. From there he was sent to Kelly Field, San Antonio, where he had a brief and varied experience in the digging of trenches, washing of dishes and other employments. His natural abilities were soon discovered, and he was given special training for three weeks, and is now at Dallas, Texas, waiting to be sent to St. Paul, Minnesota, for training in a motor school. The letter follows:

With the Colors
April 13, 1918.

Dear Folks,

I have been moving around and changing plans so much in the past few days that I have almost gotten ahead of myself. I will start at the beginning and recite the history to you. I went to San Antonio Sunday night. When I came back to the tent my bunkie said that three of them and myself were ordered to be ready at 7:15 a. m. to go to headquarters. By nine a. m. there were 400 men at headquarters with bag and baggage. Our names were soon called off and we were put into two spuadrons of 180 men and two detachments. The squadrons are the 65th and 121st, which last is the one I am in as you alrady know. I do not know what the detachments were for. We stayed down and went to sleep on our bags until 11:45, when we went to our old lines and ate. Came back at 1 p. m. and continued our sleep until 4 p. m. We got up because four trucks came to take us and our baggage to our destination, of which we knew nothing. We were taken to Upper Kelly No. 1 or "Kelly Three," as it is sometimes called. This field is a holding camp for squadrons to get them ready and to have them on hand to be shipped out. It is entirely surrounded by a high barbed wire fence and the only way to get out is with a pass. When we arrived at our new lines we picked out a tent and made up our beds, which consisted of iron cots similar to those at home, with two blankets each and an overcoat. We then received new mess kits. We ate at 6:30 p. m., in an electric lighted mess hall which seemed like home. We have a fine mess sergeant and some dandy cooks, and you cannot realize how much difference a good cook will make in a squadron. One good cook is worth more than several good men in the ranks, because if 150 men are satisfied and feeling good they are better than 175 men who are harboring a grudge.

During Tuesday, Wednesday and

(Continued on Page 4)

DISTINGUISHED HONOR

MATTISON B. JONES ELECTED GRAND SCRIBE OF GRAND CHAPTER R. A. MASONS

One of Glendale's distinguished citizens, Mattison B. Jones, has returned from the convocation of Royal Arch Masons at San Francisco with official honors which have filled his associates in Unity Chapter No. 116 with great pride and satisfaction. He has been elected Grand Scribe of the Grand Chapter of Royal Arch Masons of the State of California, which gives him a rank that will place him in line for the highest office in the gift of the Grand Chapter three years hence, unless something unforeseen happens to interfere with his logical advancement.

There are only six elective offices in the Grand Chapter and to be elected to one of the six in a big state like California where men eligible to such an office can be numbered by the thousand, is no small honor.

It is the first time in the history of the city that one of its citizens has been thus distinguished, and the local lodge is much set up over the glory reflected upon it. Mr. Jones is Past High Priest of Unity Chapter No. 116, Royal Arch Masons of Glendale, and also Past Commander of Glendale Commandery No. 53, Knights Templar. Last year he was appointed Grand Captain of the Host in the Grand Chapter, but his present office of Grand Scribe is an elective one. The next highest office is Grand King, then Deputy Grand High Priest, then Grand High Priest, the highest office in the Grand Chapter of the State.

PROPHECY FULFILLED

PLAN TO MAKE AMERICA GERMAN INTELLECTUAL CENTER CARRIED OUT

To the Editor of the News:

Dear Sir—Following up the line of thought indicated in today's issue of your paper under the caption "German in Glendale Schools," I desire to present to your readers a paragraph credited in the current number of the Literary Digest to the Philadelphia Inquirer. The paragraph is from an article written by Hubbe Schlieder in the Pan-German-Central organ as far back as 1903 and is quoted as follows:

"It is, therefore, the duty of every one who loves languages to see that the future language spoken in America shall be German. It is of the highest importance to keep up the German language in America, to establish German universities, improve the schools, introduce German newspapers, and to see that at American universities German professors are more capable than their English-speaking colleagues, and make their influence felt unmistakably on thought, science, art and literature.

"If Germans bear this in mind, and help accordingly, the goal will eventually be reached. At the present moment the center of German intellectual activity is in Germany; in the remote future it will be in America. The Germans there are pioneers of a greater German culture, which we may regard as ours in the future.

"Germans only need to grasp the situation and the future is theirs. Let them show that they mean to maintain Deutschthum, and then emigration may be directed toward America with impunity."

The above is in part an appeal and in part a prophecy; measure up conditions as existing in our high schools, our universities, and in our cities when the war broke out, and gauge for yourself the progress made along the road mapped out by Schlieder.

Your article states truly that "no one doubts the loyalty to the United States Government of the school trustees," they are also men of ability and good judgment, as is demonstrated by their success in business matters and their standing in the community. When they fully consider this most important matter, let us not doubt but that they will follow the example already set in so many loyal communities and banish this most potent instrument of the Hun, "made in Germany," and being used in America to further the boasted German Kultur (God save the mark), German world dominance and the "Me und Gott" idea from our school curriculum.

G. B. WOODBERRY.
April 20, 1918.

CHAPTER B. A. INITIATES

Glendale Chapter B. A. of P. E. O. held an all-day meeting at the home of Mrs. Nellie Case, 105 South Maryland, on Wednesday. The hostess was assisted by Mrs. Elsie Weaver, 235 South Kenwood. This was one of the important days in the history of the chapter as the first candidate since the organization of the chapter was initiated, Mrs. Josephine Brant being admitted into the sisterhood.

A splendid luncheon was served and the afternoon was spent in knitting and other war work. During the afternoon Mrs. Edith Arnold sang several solos, accompanied by Mrs. Harry Parker, and Mrs. Eva J. Cunningham gave several selections on the piano. An interesting address on "What the P. E. O. is doing to help win the war," was given by Mrs. Marion B. Garvin, state president of the society.

The guests of the afternoon were Mrs. Marion B. Garvin of Chapter X of Los Angeles, Mrs. Edward Lynch of Chapter A. H. and Mrs. A. W. Tower, Mrs. Charlotte Goss and Mrs. B. Dudley Snudden of Chapter L., Glendale.

BIRTHDAY CELEBRATION

Mrs. L. C. Flutot and her two sons, Edward and Robert, of 1512 Oak street, attended a birthday party given in honor of Miss Dorothy Levy of 924 West 48th street, Los Angeles, last Saturday afternoon. About twelve little guests and their mothers were present. During the afternoon a musical recital was given by the children and among the many selections was a patriotic number given by Master Edward Flutot, called "The Liberty Melody," which won great applause. Floral decorations of pink and white beautified the Levy home and the same color scheme featured the refreshments which were served at the close of the program and in which a lovely birthday cake bearing eight pink candles had a conspicuous place.

HEMET AND SAN JACINTO DEVASTATED

ADDITIONAL DISTURBANCES THIS MORNING ADD TO DESTRUCTION CAUSED BY YESTERDAY'S QUAKE

(Special Service to Glendale Evening News)

LOS ANGELES, April 22.—Two new earthquakes recorded this morning at Hemet and San Jacinto completed the devastation of those two towns in yesterday's heavy quake.

Four are dead, dozens are injured and property damage of over half a million was done as a result of a series of shocks throughout Southern California and parts of Arizona and Utah. Probably half again as much damage as was done at Hemet and San Jacinto will be shown in other sections of the Southland.

The dead are: Frank E. Darnell of Boston, August Carlson of Astoria, Oregon, and two unidentified miners caught in a mine shaft near San Jacinto.

BRITISH IMPROVE POSITIONS

HAIG REPORTS SLIGHT ADVANCES NEAR AMIENS AND ALBERT AND IN THE ROBECQ SECTOR

(Special Service to Glendale Evening News)

LONDON, April 22.—"We improved our positions during the night in the Villers-Bretoneux sector," Field Marshall Haig reported today.

"South and north of Lens we conducted a number of successful raids and took prisoners and machine guns. In the different sectors there is considerable artillering," he said.

EXPECT RENEWAL OF GERMAN DRIVE

LOOK FOR RESUMPTION OF PICARDY DRIVE AND A FRESH ENEMY ATTACK NEAR AMIENS AND ARRAS

(Special Service to Glendale Evening News)

LONDON, April 22.—The resumption of the Picardy drive by General von Hindenburg through assaults by way of the Somme and the Scarpe is imminent. United Presss dispatches from the French front say there are indications that the Germans are preparing a fresh drive between Amiens and Arras.

The Flanders battlefield is reported quiet except for local engagements in which the British are improving their positions.

FRENCH REPULSE SURPRISE ATTACKS

UNSUCCESSFUL GERMAN ASSAULTS EAST OF RHEIMS AND THE AVRE REPORTED BY WAR OFFICE

(Special Service to Glendale Evening News)

PARIS, April 22.—German surprise attacks were repulsed east of Rheims and east of the Avre, the French war office reported today.

"In the region of Thennes near Hangard-en-Santerre we took prisoners. Artillery fire continues actively at various points on the front," the report said.

FIND POWERFUL EXPLOSIVES

TWENTY-FIVE POUND BOMB DISCOVERED AT ENTRANCE OF LIFE BUILDING IN NEW YORK CITY

(Special Service to Glendale Evening News)

NEW YORK, April 22.—A dynamite bomb weighing twenty-five pounds was found this morning at the entrance of the Life Publishing Company building on West 31st street. The police are working on the theory that the bomb was to be used to blow up the Pennsylvania tube, three blocks away.

The bomb is said to be the most powerful ever found in New York, containing five pounds of dynamite and other explosives.

OPPOSES CHAMBERLAIN BILL

PRESIDENT SAYS MEASURE WOULD PLACE U. S. ON LEVEL WITH THOSE WHOM WE ARE FIGHTING

(Special Service to Glendale Evening News)

WASHINGTON, April 22.—President Wilson expresses the strongest opposition to Senator Chamberlain's bill providing for a court martial trial for those arrested on treasonable charges.

In a letter to Senator Chamberlain the president is declared to have said that such a measure would be unconstitutional and put the United States on a level with those whom we are fighting.

SEVENTY-TWO IN CASUALTY LIST

(Special Service to Glendale Evening News)

WASHINGTON, April 22.—Seventy-two casualties were announced by the War Department today, showing 10 dead in action; 5 dead of wounds; 4 dead of disease; 1 killed by accident; 2 dead from other causes. Seven were severely wounded and 42 slightly wounded.

THE SALVAGE DRIVE

TEACHERS AND PUPILS OF PUBLIC SCHOOLS ARE PATRIOTIC WORKERS FOR COUNTRY

Saturday last, salvage was gathered in the territory west of Brand boulevard by the Doran and Columbus avenue schools, eighty patriotic people giving of their time and energy. Automobiles were furnished by the following: Mrs. V. M. Tresslar, Miss Barbara Mitchell, R. D. White, Mrs. H. V. Brown, Mr. Sipple, Mrs. Andrews, Mrs. C. W. Houston and Mrs. Turner.

Tons of paper, much good clothing and general salvage were brought in. The Doran street teachers, Miss Hatch, Miss Collins and Miss Land, took charge of the bottle washing.

Miss Mitchell, Miss Berry, Miss Douglas, Miss Tyler and Mrs. Taylor from Columbus avenue worked in the general salvage.

The teachers were greatly assisted by a strong, active set of young men from the High School: Gilbert Mitchell, Ralph Taylor, Sloan Freeman, Howard Thompson, Allen McPherson.

Mr. Harkness and Mr. Blanford with their committee of Intermediate boys aided much in the heavy work. The boys are Burt Aageson, Horace McRae, Waldo Yard, Henry Ford, Raymond Wolf, Horatio Butts, Stanley Niblack, Paul Hague, Howard Brummel.

The man-power furnished by the High School and Intermediate School is of the greatest assistance to the lady teachers, and is here gratefully acknowledged.

Even on a busy Saturday the following ladies lent valuable assistance: Mesdames E. M. Potter, F. K. Myton, S. R. Frazee, C. H. Thompson and Miss Margaret Frazee.

Mrs. H. V. Brown did double duty in the directing of the sorting of salvage and driving her machine.

Sincere gratitude is felt to the people who send clean, dry papers, folded once and tied into bundles that a boy can carry.

The schools wish to express sincere thanks to all those who assisted.

A part of two routes in the south and west are not finished. This salvage will be collected the first of the week. The list of the grammar grade children and their time will be published later. CORA S. TAYLOR.

THE EARTHQUAKE

Glendale residents for the most part withstood the earthquake shock Sunday afternoon with considerable fortitude, although the majority of those who were within doors rushed to the street. Captain Jack Wagnon, who was upstairs in the fire engine house on Broadway, says the vibrations were such that the chair in which he was sitting swayed four or five inches. He and his companions were more frightened than they have ever been of a fire, and "beat it for the street," not knowing but that the brick walls would topple. When they reached the ground floor the fire engine standing on the cement floor was swaying from east to west. In his judgment the quake lasted about thirty seconds. A few citizens with weak hearts fainted, but no casualties such as occurred elsewhere have been reported here. A number of people went by auto and trolley to Los Angeles to view the wreckage there, and reported that the force of the shock seemed to be greatest in the neighborhood of Sixth, Seventh and Eighth, many plate glass windows being broken in the Union Oil building and in Hamburger's. Some declared the Union Oil structure had been shifted out of alignment with neighboring buildings.

PLEASANT AUTO TRIP

Mr. and Mrs. C. B. Wilde of 1331 Milford street and Mr. and Mrs. H. A. Andrews enjoyed a delightful auto trip Sunday in which they covered quite an extensive stretch of country. They left Glendale at 6 a. m. and drove east to Arrowhead Springs through San Bernardino and Redlands, getting back to Riverside in time for a noon dinner at the Glenwood Inn, and later inspected the wonderful museum of curios of the old Spanish days in California. They had just seated themselves in their automobile preparatory to a start for home when the earthquake shook up the landscape. Though not at all terrified by the incident, they were glad to be out of doors instead of in the building. There was no damage at the Mission Inn but some minor breakages in other parts of the city. The trip home was uneventful.

The committee having in charge the dinner which will be given Wednesday night by Unity Lodge at the Masonic Temple is anxious that the public should understand that it will be open to all Masons and their families, and that it will be a general get-together meeting and patriotic affair.

INAUGURAL SERMON

JOHN W. CHRISTIAN, NEW PRESIDENT OF SEVENTH-DAY ADVENTISTS, SPEAKS

Pastor John W. Christian, of Oklahoma City, Okla., newly elected to the presidency of the Pacific Union Conference of the Seventh-day Adventists, spoke at the Glendale Seventh-day Adventist church, Third and Isabel streets, at the regular service last Saturday morning. He was introduced to his audience by Pastor E. E. Andross, the retiring president of this field, who will leave in a few weeks for Washington, D. C., to take up his new duties as vice-president of the General Conference for North America.

Ex-president Andross spoke of the world conference, which closed last week at San Francisco, as having been the most important in the history of the denomination. The rapid strides which Seventh-day Adventists are making have necessitated many changes in the laboring force throughout the world, Mr. Andross said. He invited all to accord to Pastor Christian the same loyal, united and sympathetic support in the administration of the church work, which he said had been extended to him during the past six years.

Upon the platform with the two dignitaries were Pastor J. O. Corliss, who for nearly two score years has labored as a minister for the Adventists, and Pastor W. C. White, of St. Helena, Cal., a son of the late Mrs. E. G. White, one of the founders of the Seventh-day Adventist Church.

That Christianity does not consist merely in the outward form, that good resolutions will not make a man a Christian, and that high office, a high social standing or a prosperous business are no evidences that a man is truly living the Christ life, were the statements of Pastor Christian in his discourse. "If any man have not the spirit of Christ he is none of His," said the minister, as he quoted the words of Romans 8:9.

"The Christian life is not made possible by natural or acquired ability, by keenness or by smartness," continued the minister. "The talents we may possess do not determine whether or not we are God's children. It all depends upon whether or not the spirit of Christ abides in the heart and becomes the source, the fountain, the spring of action. Whether in the home, in institutional life, or among our associates in the world, 'If any man have not the spirit of Christ, he is none of His.' The one thing which determines whether or not we are Christ's, is whether or not the spirit of Christ is permitted to have supreme rule in our lives.

"God does not ask whether we are rich or poor, old or young, physician or minister, merchant or husbandman. Whether it be black man of Africa, yellow man of the Orient, the islander who has come from the darkest heathenism, or the Caucasian of civilization is not the deciding question. What our environment may have been, or what our social possibilities—these are not the determining factors in deciding whether or not we are truly Christ's. The question is, 'Does Christ abide in the heart?'

"When Christ's spirit abides in a man, it makes him distrustful of self. It makes him love his brethren. He does not call attention to himself, but to his Saviour. It is written that we ought also to walk, even as He walked. Christ, over and over again, pointed his followers to his father, saying, 'My work is to do the will of

(Continued on Page 4)

A MUSICAL TREAT

THEME OF FAITH, HOPE AND LOVE CARRIED OUT AT PRESBYTERIAN CHURCH

The musical service at the Presbyterian chureh last evening was a rare pleasure. The three-fold theme of "Faith, Hope and Love" was carried out both in the musical selections and the three brief "Meditations" by the pastor, Rev. W. E. Edmonds.

The choir did splendid work under the direction of Arnold M. Z. des Plantes, who aside from an extensive previous musical education is now a pupil of our own California world-known song bird, Miss Ellen Beach Yaw.

The duets, solos and quartettes were fine and the audience felt that the message in song carried the same true gospel story that the spoken word does and in a sweet and beautiful manner.

The choir are planning to number at least thirty-two by the time the new pipe organ arrives, and the number already enrolled has nearly reached the goal.

ADVENTIST HOSPITAL

THOUSANDS ATTEND DEDICATION OF ELLEN G. WHITE MEMORIAL

Another unit in the long chain of Seventh-day Adventist sanitariums and hospitals now belting the globe was added yesterday when the Ellen G. White Memorial Hospital, located on the block bounded by Boyle, Michigan, Bailey and New Jersey streets, Los Angeles, was dedicated with appropriate exercises. Many Glendale residents were among the thousands of persons present.

The speakers of the day were Dr. William R. Malony, president of the State Board of Medical Examiners, Rev. Arthur G. Daniells, of Washington, D. C., president of the world conference of the Seventh-day Adventists, Rev. W. C. White, of St. Helena, Cal., son of the late Mrs. Ellen G. White, for whom the hospital is named, and Councilman Conway. Dr. Newton Evans, of Loma Linda, president of the faculty of the Loma Linda college of Medical Evangelists, of which the White Hospital is the clinical department, was present, as were also Rev. E. E. Andross, of Glendale, Cal., president of the board of directors of the Loma Linda institution, and recently elected vice-president of the world conference, and Rev. John W. Christian, of Oklahoma City, Okla., newly elected president of the Pacific Union Conference.

The White Hospital is built on the bungalow court plan, the buildings costing, when complete, $125,000. Seven are now in use, and eleven more are to be built. The hospital was named for Mrs. Ellen G. White because of her leadership and encouragement in the founding of the Loma Linda institution. The ladies' dormitory is the gift to the hospital of Mrs. Lida F. Scott, of Mont Claire, New Jersey. The young men's dormitory is the gift of Miss May Covington, of Minden, Neb., who saved her pennies, nickels and dimes from her girlhood days and onward with the purpose of some day building a home for young men. She donated $8,000 to the building. The administration building was presented to the institution by Mrs. Josephine Gotzien.

The dire need of medical skill and knowledge in non-Christian lands, and the purpose of Seventh-day Adventists to establish dispensaries and sanitariums in various cities of the world, were told by Mr. Daniells in his dedicatory address. Thousands, he said, die for lack of ordinary medical attention which is always provided in Christian lands. One little dispensary of the Adventists handled 16,000 cases in a year, he said, and the two nurses during that time gave 375 treatments in the homes of the people. It is to train physicians and nurses for humanitarian work that the hospital has been founded.

W. C. T. U. CONVENTION

The Thirty-fourth Annual Convention of Los Angeles County Woman's Christian Temperance Union will be held in Long Beach, April 24-26, in the First Methodist Church.

Glendale City Union is entitled to nine delegates as follows: Ex-officio —Mrs. Ruby J. Smart, Mrs. Mary L. Moore, Mrs. Hattie E. Gaylord. Elected—Mrs. Louise Morton, Mrs. Louis Sipple, Mrs. Marcia Chandler, Mrs. Katherine Rowe, Mrs. Kate Evans, Mrs. Marie Paige. Alternates—Mesdames Lemon, Warner, Potter, M. E. Brown, Palmer, Miss Chester.

Election of officers will take place Friday, April 26, at 11 o'clock.

Convention theme, "A Righteous Nation."

Reports from the forty different departments will be given by the several superintendents and special addresses by prominent speakers, among them Mayor W. T. Lizenby, Dr. J. A. Geissinger, Prof. W. L. Stephens, Superintendent of Public Schools, L. W. Ballard, Secretary of Chamber of Commerce, Mrs. Henry S. Leavitt, President of Federation, Mrs. Chas. H. Spence, Ebell Club, Dr. Margaret Clark, Woman's City Club, Mrs. Frank A. Gibson, on Americanization, Miss Marie C. Brehm, the State President, Mrs. Irvine and others. Patriotism will be a prominent note.

Thursday evening the parents of men in service are specially invited, and the military band from Fort MacArthur will play. There will be a dedication of service banners from the local unions, among them one from Glendale Union with sixteen stars. The "Boys" will be presented with comfort bags which we have helped to make.

Friday evening will be a ratification program and Hon. A. J. Wallace will give an address on "California and Ratification." At 4 p. m. Wednesday the delegates will be given a "boat ride by courtesy of Chamber of Commerce."

TO GO ABROAD

EMILY SQUIERS APPOINTED WAR CORRESPONDENT FOR RED STAR SOCIETY

Miss Emily Squiers, the talented newspaper correspondent, whose parents live at 538 North Louise street, this city, and who was herself a resident of Glendale until she went onto the staff of a hotel magazine published in Pasadena by Mr. Linnard of Hotel Maryland, is about to make a radical change which will put her in the heart of the Great Adventure.

She has just been appointed war correspondent for the National Red Star Society, and will soon leave for the French front, where she will visit veterinary hospitals, make regular reports to American officials, and contribute Red Star articles to American magazines. As her heart has been in this work for animals ever since the recruiting of horses and dogs began, it will be a congenial field and one in which her unusual talents as a newspaper writer will be seen to advantage.

MEMBERS OF MUSIC SECTION WILL ENTERTAIN TUESDAY AFTERNOON CLUB

The following attractive program will feature the tomorrow's session of the Tuesday Afternoon Club, which will convene at the usual hour of 2:30 at the Masonic Temple.

"The Star Spangled Banner"—Unison singing.

Two Pianos: Variations of a theme of Beethoven's (Saint Saens), Minuet, Variations, Funeral March, Allegro, Presto—Mrs. Vivian Webb, Miss Elizabeth Webb.

Voice: (a) "Non e Ver" (Mattei) (b) "Mine" (Schubert)—Mrs. Calvin Whiting.

Dance Eccentric—Miss Zoula Robinson and Miss Harriett Barnes.

Treble Clef: (a) "Peasant's Wedding March" (Sodieman) (b) "Sweet and Low" (Baindy). Director, Mrs. Calvin Whiting.

Two Pianos: "Capriccio Brillante" Opus 22, (Mendelssohn) —Miss Mildred Pray, Mrs. L. N. Hagood.

Reading: "Bambi in New York" (Cooke)—Miss Ada Cheever.

Voice: (a) "The Star" (Rogers), (b) "A Banjo's Song" (Homer)—Mrs. Frank N. Arnold.

Solo and Chorus: "When Sammy Comes Marching Home"—Mrs. Frank N. Arnold and Music Section Members.

Members will be privileged to use guest cards on this occasion and a large attendance is in prospect.

The Liberty Loan Committee will be present and ready to take subscriptions from any who desire to take bonds.

A thousand items 1c will buy next week Thursday, Friday and Saturday at Spohr's Drug Store. 192tf

AN EPISODE OF THE GREAT EARTHQUAKE SUNDAY, APRIL 21, 1918

I was taking a stroll over the P. E. railroad bridge at Ivanhoe at 3:30 p. m. Sunday when the bridge began to wobble and rock like a ship at sea in a storm. Two Mexican ladies who were walking across at the same time seized hold of me in terror. "Oh, dear! oh dear!" they exclaimed. Whether they meant me or the bridge I don't know, but my wife says after this she will not let me go out alone, as some bold, bad, wicked woman might run off with me. It's not my fault I'm good looking.

F. BOOTH,
906 West Broadway.

FISHING TRIP

Mr. and Mrs. Blake Franklin of 1498 West Third street left early Saturday morning and returned Sunday afternoon from an exceedingly pleasant and successful camping and fishing trip in Ventura county. They were accompanied by their children and their house guest, Miss Watson, who is leaving Monday evening for her home in Albuquerque, N. M. They drove as far as they could by auto, viz., to Lyon Springs just above Matillija, a very beautiful spot, where the ladies camped while Mr. Franklin and his sons wandered to better fishing grounds in Murietta Canyon, where they caught the limit of trout. Mr. Franklin brought home a two-foot salmon and a 15-inch steelhead trout. Fourteen automobiles which had brought fishing parties were assembled at Lyon Springs. The fishing season opens earlier in Ventura than in Los Angeles.

Mrs. Franklin says the country round about was very lovely and green spangled with a profusion of wild flowers. They did not feel the earthquake at all.

There is no greater satisfaction. BUY A LIBERTY BOND.

W. C. T. U. MEETING

A large company of White Ribboners met at the home of Mrs. L. M. Warner, 457 Pacific avenue, last Friday afternoon in regular meeting. The time was busily spent in making comfort bags.

The program for the County Convention in Long Beach, April 24-26, and delegates to the same was announced, also delegates were elected to the State Convention at Bakersfield for the second week in May. The next meeting will be held with Mrs. David Francy, 307 South Kenwood street, May 3d, when reports of the County Convention will be given.

A note of sadness prevailed because of the tragic death of Miss Sherer, one of the members, and the following resolutions were passed.

Whereas, Miss Rachel M. Sherer, who has recently gone to her Heavenly Home, was for more than thirty years a faithful and consistent member of the Woman's Christian Temperance Union; and,

Whereas, she was a charter member of the first W. C. T. U. organized in Glendale in 1886 and one of the pioneer founders of righteousness and temperance in Glendale, always standing ready to aid the cause of truth and right in every way;

Therefore, Resolved, That we, the members of Glendale City Woman's Christian Temperance Union, feel a deep and personal loss in the death of Miss Sherer; and

That we shall greatly miss her wise counsel and help in prosecuting the work of our organization; and

Resolved, That we recognized in this beloved sister a sweet Christian character who loved and obeyed her Master, and that in being absent from us, she is now ever present with her Lord.

Resolved, That we extend to the bereaved friends our sincere sympathy, and pray God's peace and comfort for them in this sad hour of trial.

Resolved, That a copy of these resolutions be spread on the minutes, also a copy be sent the family friends, and to the Daily News.

RUBY J. SMART,
President,
LOUISE MORTON,
Secretary.

"Keep the Home Fires Burning"

Tonight there will be American boys in lonely listening posts far out in the desolation of No Man's Land, American boys in the darkness and mud and cold of the trenches under the ceaseless thunder of guns and the scream of shells, American boys are tramping along the pitch-black, shell-torn roads. Through the long, dreary hours, as they wait and watch in the dark, while dangers lurk on every hand, their thoughts turn to the homes they have left behind, homes on distant farms, in scattered villages, in great cities, and they see in imagination the pleasant home lights shining out into the night.

They Are Fighting to Keep Those Home Fires Burning

You, back here in the peace and safety of the homes they love, can help in the bitter struggle that our boys must face tonight, and tomorrow night, and every day, and every night, until the final VICTORY is won. You, too, must work to keep the home fires burning—for our sons in France.

They need guns and more guns, shells and more shells, they need tanks and transports and airplanes, good food and warm clothes and medicines and hospital supplies—an ever-increasing abundance of all the vital materials of war, if they are to drive the ruthless German invaders back within their own borders, and establish for all time the sacredness of American liberty and the safety of America's homes—their homes, our homes.

For these lads that are fighting and dying for you--do your share to send them to VICTORY. Invest today in Bonds of the Third Liberty Loan--ALL the bonds you can. Keep the home fires burning.

Personals

Dr. Frank Arnold and Mr. Suybert drove Saturday to Brawley on a business and pleasure trip.

On Wednesday the Red Cross Shop will have its sale of dahlia bulbs. Now is the time to plant.

The many friends of Margaret La Com rejoiced to welcome her back to school after an absence of three weeks during which she was confined to her bed with the measles. She says although that is quite a popular malady, those who have it are not to be envied.

Mrs. Henry Johnston and Mrs. H. M. Johnston of 335 Everett street and Mrs. A. S. Reynolds of Los Angeles are enjoying an outing at Santa Monica, where they have taken a beach cottage for two weeks. Mrs. A. L. Bryant will be a guest of these ladies a few days this week.

The regular club women's conference, which is open to all the club women of the county without restriction, will be held in Los Angeles Thursday from 10 to 4 p. m. Mrs. Mattison B. Jones, District President, will conduct the meeting and the list of speakers will include Dr. Dana Bartlett, who will talk on "City Planning," City Attorney Stephens, who will tell of the workings of the City Departments and the City Government as a whole, and Senator Del Valle will speak on "California Landmarks." The session will open with a parliamentary drill by Mrs. Gleason, which will take up nominations and elections, a most pertinent subject at this time.

APPRECIATE SPIRIT OF SCHOOLS

The Glendale Federation of Parent-Teacher Associations at their recent meeting expressed in no uncertain terms their appreciation of the splendid patriotic spirit shown by the teachers and pupils of the Glendale schools, from the high school to the kindergartens in the magnificent Liberty Loan parade. That such a splendid demonstration should be possible on such short notice is indeed very commendable. The business men who participated in the parade with only a few hours preparation were also commended, and this sentiment was incorporated in the records of the Federation.

WAR WORK BY NORMAL STUDENTS

Mrs. Lee Payne, Miss E. A. Bingham and several other residents of Glendale visited the State Normal School in Los Angeles Friday evening to enjoy a production of Pygmalion and Galatea given by the students as a Red Cross benefit. The school has participated enthusiastically in war work and according to reports recently made it has contributed over $50,000, of which $40,000 was for bonds purchased in the second Liberty Loan Drive, $2,612 to the Y. M. C. A. Drive, $3,000 invested in thrift stamps, the balance contributions to the Red Cross. It has also made many articles for hospitals and Belgian Relief work. Hereafter students will devote one afternoon a week to war work, which will be financed by regular contributions of 5c each from the students and 25c each from teachers. Glendale has sent a large number of students to the Normal and many young women from this city are now in attendance, the list including Frances Payne, Vivian Engle, Lillian Schick, Katherine Dodge, Vera Baird, and Jessie Hughes.

MRS. BEARDSLEY HONORED

An affair of considerable magnitude and social importance was the shower given by Miss Clara Snodgrass and Mrs. L. A. Heisler Saturday afternoon for Mrs. A. R. Beardsley of 1500 Salem street. The guest list included a large number of ladies from Los Angeles, viz.: Mesdames H. C. McClung, Frank Burns, W. H. A. Sherman, Rolf Pirie, E. R. Baier, Elizabeth Reckweg, Misses Katherine Hawvichorst, Marian and Ruth Quigley, Emma Fischer, Mesdames M. J. Curran, W. Valentine, Will Hickey, Alice Elliott, Ethel Stevens, Miss Agnes Nelson, Mrs. C. A. Meyer of Chicago, Mrs. E. A. Roberts and Mrs. Vincent Barrow of Riverside, Mrs. Will Leverett of New York, Mrs. Ruby Legge of Pasadena, Mrs. Robert Slaughter of San Gabriel, Misses Alberta and Ardes Heisler of Glendale, Mrs. Walter Leeds of Los Angeles.

Refreshments were served at the close of the afternoon, the refreshment table being centered with sweet peas and pansies. Roses and other flowers made the living room beautiful and fragrant.

Needlework and informal chat occupied the ladies during a most delightful afternoon, and Mrs. Beardsley was the recipient of beautiful gifts, the majority of them the needlework of the givers.

A pound of fine stationery for one cent next week at Spohr's Drug Store. 192tf

HIS NAME IS PUTNAM

He is a hearty appearing old gentleman living with a daughter "somewhere on Howard street," about two blocks north of the City Hall, to be more exact. When asked if he was a descendant of "Old Put" of Revolutionary War fame, having given his name to the Liberty Loan solicitors as E. T. Putnam, he replied: "No, but there was another Putnam whom history says less about but who did great service to the patriots of '76. I refer to Major Rufus Putnam, who planned the fortifications on Breed's Hill, where the little army of 1000 patriots withstood for hours the attack of 3000 disciplined enemy soldiers and inflicted on them a loss of more than one-third of their number. This was at the battle called Bunker's Hill, Breed's being chosen at the last moment as the site of the intended earthworks as being more suitable than Bunker's, on the advice of Major Putnam. He was a brother of my grandfather and a cousin to General Israel Putnam."

HE WILL CARRY ON

The happiest boy in all California spent three hours at his home in Glendale Saturday. This was Morris Jackson of 1416 Milford street. Enlisting when barely eighteen, he was from the very start an enthusiastic soldier, longing for the battle front yet attentive to every duty in camp. Then came the terrible accident a few months ago in San Diego, when his motorcycle was run into by a careless truck driver and one leg broken in five places, near the ankle. On his recovery the skilled surgeons could see nothing for Morris but an enforced honorable discharge, as he would always be lame and the hurt ankle weak. He combatted the decision vehemently and declared he would go to war in some capacity if he had to crawl. His distressed relatives almost feared for his reason if he were turned from his resolve. But at last the good news came to him that he could still drive a truck for Uncle Sam at the battle's front and the brief visit home was but to share his joy with parents and sisters.

DEATH OF INFANT DAUGHTER

The many friends of Mr. and Mrs. Colin Care of 733 San Rafael street will be grieved to learn of the death of their five-months old daughter, Dorothy Ruth Care, on Friday, April 19th, at 3 p. m. Little Dorothy was ill but about a week. She will also be mourned by her grandparents, Mr. and Mrs. H. L. Brown of 913 San Rafael street. Funeral services will be held at the parlors of the Jewel City Undertaking Company in this city today (Monday) at 2 p. m. and interment will be made at Forest Lawn Memorial Park.

AT LOVE FIELD, TEXAS

(Continued from Page One)

Thursday we received knapsacks and clothing. I now have one suit of O. D. and two of khaki. This all came with other supplies for the squadron. At mess Wednesday night we were told to be on our toes as we left at 2 p. m. Thursday, which was a great surprise as most squadrons are kept there two weeks or more.

Thursday trucks came and took all of the baggage and supplies including five days' rations. At three we marched over to the tracks and waited until five for the train which was made up of three old coaches and a baggage car pulled by a dinky engine. We knew we would not go far with this outfit, but that did not tell us where we were headed for.

If I had not seen the change in the country with my own eyes I wouldn't have believed that such a transformation was possible. We did not go over the same ground but we did go through practically the same kind of country that we did when we came down. On our trip down the country we passed and also the country around San Antonio was dry—there wasn't a green leaf to be seen. It looked like a forest of trees that had been literally burnt up by the sun. All that could be seen was acres and acres of dry, bare limbs. This had all changed to a mass of green—as far as you could see it was green. The leaves are small and of rather light green color, so that it makes a wonderful sight. The trees grow from ten to fifteen feet high and very close together and when you are in among them it is an easy matter to lose your way. The ground is slightly rolling and here and there a spot is cleared away for a farm. The farming here is dry farming, so they have to depend upon a quick growing crop and one which will stand the hot weather which comes here a little later in the year. The soil here is adobe. It is very rich and holds the moisture well if it is well cultivated.

We arrived at Dallas at 6 a. m. and much to our surprise we found that the tents were electric lighted. We have a mess hall to eat in here, too. There are only enough tents here for two squadrons, or about 75 in all. There are barracks here for four more squadrons and the cadets or student flyers, which make up all of the men here. The hangars and shops are all painted buildings and the flying field is fine. All they do here is to fly and take care of machines and the men are all put to their regular work. The flyers here are more experienced than they were at Kelly but there are not so many.

The three boys that were in my old tent and another one who went to school with us are in a tent together. We get along fine and we have some good times.

Yesterday the lieutenant gave out the word for all of the mechanics to come to the orderly tent. He told us that he had to send ten men to St. Paul to go to a motor school for instruction on engines. We hated to leave the squadron as it is a fine one and we are in a fine field, the officers are of the best and the first lieutenant is a prince; he is a young fellow but he is working hard for the squadron. But we decided that we would learn a great deal and be better off when we got through, so we asked to go and all five of us are going together. We do not leave the squadron as we are sent away on a special detachment and are in the squadron until it leaves. Then we will go with it unless we are still in school.

There is one thing that I forgot to mention and that is a small lake that is within 200 feet of our mess hall. It is entirely surrounded by those trees I spoke of except on the side where the camp is. We cannot go swimming in it but it makes a fine sight.

We are six miles from Dallas, which is a town of 180,000 population, and the boys here say that they treat the soldiers royally as it is not overcrowded with them as San Antonio is. This is practically the only camp that is near the town. With the fine field, the squadron and the town I hate to leave, but I expect to find conditions at St. Paul just as good and I will be able to learn a good deal as I can put in extra time and study, which I could not do here as you will see by the following schedule:

5:15 a. m.—first call,
6 a. m.—Breakfast,
6:30—go to work,
1 p. m.—lunch,
6:30—recall from work,
7 p. m.—supper.

I am feeling fine and I have been getting along fine and the only thing I would do if I had it to do over again would be to enlist sooner. Of course things are not all easy but with things as they are now, no man who is free should feel at ease in civilian's clothes unless he is doing active work at home or has a family to take care of. If he has a family he has no business here, as there are plenty of men for the army. It is certainly a wonderful experience. It has meant a great deal to me and I would not give it up for anything.

I must close now as my hand is getting tired. Please keep on writing as my mail will be forwarded.

With best of love for all,
PAUL.

Love Field, Dallas, Texas, 121st Aero Squadron.

WISDOM AND UNDERSTANDING

In speaking on the subject, "Wisdom," Rev. A. William Goetz, pastor of the Occult Science of Christ Church, Glendale, said in part:

Text, Proverbs 4:7, "Wisdom is the principal thing, therefore get wisdom, and with all thy wisdom get understanding."

You may get the wisdom by reading, conversation, traveling, books and lectures, but be sure that you have the practical idea of using it in your daily life. You will find that most people know far more than they use, but they do not have the understanding. All that have studied Divine or Spiritual Science, know that we are spiritual beings, but we do not use half our strength and power except in cases of emergency. We should use it every day. What we know is wisdom, but the use we make of it is understanding.

This is the age of demonstration, and we must demonstrate that we have the understanding of how to use all this wisdom that we have. It makes no difference how far you go, there is still a little bit farther that you can go.

When we learn to say "I am," that is a step in the right direction. Let us say that "I am one with the Infinite Mind," but do not say that "I am it."

Let us not say we know of the wisdom of truth in the God Mind, but let us understand the use of that wisdom and demonstrate our wisdom by deeds, not words.

1c will buy a dollar's worth at Spohr's next week, Thursday, Friday and Saturday 192tf

FIRST GOVERNMENT NITRATE PLANT WILL BEGIN OPERATION NEXT JUNE

BIRMINGHAM, Ala., April 22.—The greatest industrial war drama in the history of the South is being enacted at Mussel Shoals on the Tennessee River in northwestern Alabama.

Developments of tremendous importance to the United States in both times of war and peace are being rushed to completion there at a cost of $70,000,000.

The government has already well under construction two emergency nitrate plants that will extract nitrogen from the air for use in preparation of ammonium nitrate, so essential to the manufacture of gun cotton, smokeless powder and other high explosives used in war, and for making of high grade fertilizer so necessary to the restoration of soil fertility both in war and peace.

President Wilson has also authorized the construction of power and navigation dam No. 2 of the Tennessee River at Mussel Shoals in which the United States army engineers have recommended ultimate installation of hydro-electric machinery for generating 480,000 horsepower.

Nitrate plant No. 1, it is announced, will be in operation during June. An army of 2,200 men is employed on the work alone. The plant will manufacture thirty tons of nitrates per day by the synthetic ammonia process of air-nitrogen fixation. It will also consume one hundred tons of coke per day and from one to two tons of dolomite. The remainder of the raw material will come from the atmosphere.

The plant will manufacture its own coke. It will also have its own 5,000 horsepower steam plant.

Seven thousand workmen are engaged in the construction of nitrate plant No. 2, and this force will be increased, it is expected, to 15,000 before the plant is completed. It will employ a permanent force of 5,000 men. This plant will probably be turning out nitrates in August.

Power to drive this $30,000,000 plant will be furnished by a 60,000 horsepower steam plant and by a steam power plant of the Alabama Power Company on the Warrior River. The steam power plants will be used pending the building of big power dam No. 2 on the Tennessee river. This dam will generate a minimum of 120,000 horsepower at the lowest point.

Work has been started on Dam No. 2, which will be the largest concrete dam in the world. Over 1,300,000 cubic feet of materials will be required. Preliminary estimates place the cost at $16,000,000. Three or four years will be required for its construction. The probable initial installation will provide 160,000 hydro-electric horsepower.

Plans have also been formulated for the erection of Dam No. 3 sixteen miles east of Dam No. 2. This dam will be only 48 feet high but will form a lake 70 miles long, the largest in the United States. It will enable the development and utilization of a maximum of 660,000 hydro-electric horsepower at the two dams. This amount will exceed by 85,000 horsepower the amount of power available on both sides of Niagara Falls.

Completion of the Mussel Shoals developments and great power projects will insure for United States the following economic and military benefits:

Munition preparedness at all times, due to dependable supply of ammonium nitrate.

Increased per acre yield of food crops and cotton through a dependable nitrogenous fertilizer supply.

Vast stimulus to development of materials of the south.

Tremendous saving in fuel and labor.

Rapid growth in United States of electro-chemical and electro-metallurgical industries.

Cheap electric power to Birmingham district, third largest producer of iron ore in America.

NOTICE

Notice of the filing of the assessment for the Opening, Widening and Laying out of Sycamore Canyon Road as contemplated by Ordinances No. 295 and 296 of the City of Glendale, together with a diagram of the district to be assessed for said improvement.

Public Notice is hereby given that the City Manager and Ex-Officio Street Superintendent of said City has filed with Clerk of the Board of Trustees of said City of Glendale the assessment for the Opening, Widening and Laying Out of Sycamore Canyon Road as contemplated by Ordinances Nos. 295 and 296, together with the diagram of the district to be assessed therefor.

The date of the first publication of this notice is April 22, 1918. All parties interested are hereby required to file in writing their objections to the confirmation of said assessment by said Board of Trustees, with the said Clerk of the Board within thirty (30) days after the said date of the first publication of this notice, to wit: On or before May 22, 1918.

Persons signing objections must give Post Office addresses.

J. C. SHERER,
City Clerk and Ex-Officio Clerk of the Board of Trustees of the City of Glendale. 196t10

INAUGURAL SERMON

(Continued from Page 1)

Him that sent me, and to finish His work.' Stepping into the background, he directs the public gaze away from himself to his Father.

"My friends, there is danger that we may deceive ourselves into thinking that because of some advantage we have over others, according to the world's standards, we are more sure of heaven than they. Neither our financial or social standing, nor our position in the church constitute the test of whether or not we are approved of God. There is no pre-eminence of one over another. We were all once numbered among the transgressors against God, the children of disobedience. We were by nature the children of wrath, even as others. But God, when we were dead in sin, when we had no desire to work for Him, when we were rushing headlong into transgression, going the way of the natural heart—God, I say, 'who is rich in mercy, for his great love wherewith he loved us even when we were dead in sins, hath quickened us together with Christ, and hath raised us up together, and made us sit together in heavenly places in Christ Jesus, that in the ages to come He might show the exceeding riches of His grace in His kindness toward us through Christ Jesus. For by grace are ye saved through faith; and that not of yourselves: it is the gift of God: not of works, lest any man should boast.'

"Boasting is excluded, for Jesus Christ is the mainspring of every right thought, pure word and noble act. Not by our resolutions, not by the supreme exercise of our own wills, not by human endeavor is the true Christian life possible, but by faith in Jesus Christ through the surrender of the life to God, the life is changed. Every soul who ever reaches heaven will be there through the grace of Christ.

"God speaks to us by His spirit, our hearts respond to the call of God; we surrender to Him and He gives us of His spirit to be a mighty regenerating agency, a mighty power in our lives, not for a patched up work but for an entire, complete transformation of life. God puts that spirit in our hearts, and then we cry, 'My Father, my Father!' It brings Jesus very close to us, for he is our friend, our brother.

"But how may I know whether or not God's spirit is abiding in my heart? 'By their fruits he shall know them,' says the Scripture. The fruits of the transformed life will witness to the presence of God's spirit in the converted heart. I never saw an orange tree until I made this trip to California, and yet God has given me sense enough to know that I can not gather oranges from an apple tree, or prunes from a pine tree. Men do not gather 'grapes of thorns, or figs of thistles.' Every tree that brings not forth good fruit will eventually be hewn down and cast into the fire.

"Let us sit down quietly and take an inventory of our lives, and let us permit Jesus to give us the victory in the battle with sin."

CONGRESS OF MOTHERS

At the regular Board meeting of the First District California Congress of Mothers and Parent-Teacher Associations it was unanimously voted that the Board co-operate with the "American Woman's Land Army."

The most important business transacted was the completion of the plans for the District Convention to be held on April 25 and 26 in the Fraternal Brotherhood Hall, 845 South Figueroa street, Los Angeles.

Besides may items of business that will be discussed, the following addresses will be made: Thursday morning—Invocation by Rev. Herbert Booth Smith, Pastor of Immanuel Presbyterian Church; Address, "How much can we believe?" by Prof. Ernest J. Hopkins, Dept. of Journalism, U. S. C. Thursday afternoon—"The Dangerous Age," by Dr. Lulu Peters; "Work of the Juvenile Court" by Judge Sidney N. Reeves. Friday morning—Address on Child Hygiene by Margaret Clark; "Training Children for Social Responsibility" by Dr. John Brewer, Los Angeles State Normal School. Friday afternoon—Address on War Service and Liberty Bonds by Lieut. MacKinnon, 43rd Scottish Canadian Regiment.

The following names are in nomination for the offices:

President, Mrs. C. S. Thompson, Bellflower.

Vice-Presidents, Mrs. C. E. Hutchison, Glendale; Mrs. Robert Fleming, Monrovia; Mrs. G. E. Wall, Long Beach.

Corresponding Secretary, Mrs. J. D. Littlejohn, Los Angeles.

Treasurer, Mrs. Allen Durant, San Gabriel.

Historian, Mrs. E. H. Noe, Los Angeles.

Parliamentarian, Mrs. Harry Huston.

You must face the boys when they return.
